From the Principal

School overview

Kilcoy State School, established in 1892, is located in the northern section of the Somerset Shire in Queensland. It is located close to the centre of town in the heart of a rapidly changing rural area, with several established and budding industries. Kilcoy is a Band 7 school with an enrolment of approximately 320 students from Prep to Year 6. One third of our school population identify as students from English as an Additional Language or Dialect background. The majority of these students have travelled from the Philippines. Currently there are about fourteen classroom teachers and a wide range of support personnel at Kilcoy State School. This composition operates as a team to provide the best possible environment for our students. The enthusiasm and open friendliness of the children provide an excellent platform upon which positive relationships have been founded. Kilcoy State School has a fine tradition of good academic achievements and sporting, cultural and citizenship achievements. All curriculum studies are undertaken on campus. A clear focus in the school is the provision of a green and healthy environment. The Language Other than English undertaken in the school is Japanese. It is our aim to provide a study program that addresses the identified needs of our students. Support from the wider community is very encouraging. There are a number of active parents who run the Parents and Citizens Association. The school vision statement is that Kilcoy State School will continue to be a caring, supportive school with happy, motivated students. Every student will be offered the opportunity to thrive and participate fully in the learning process. The school will continue to take an active role in the community. As it grows and develops, Kilcoy State School will embrace innovation and creativity whilst maintaining its unique rural atmosphere. We will always strive for excellence in every area. The school offers outstanding sports, performing arts and reading programs. Construction of a modern resource centre and multipurpose hall was completed in mid 2010. It now provides a wonderful learning environment for all of Kilcoy's students and the community at large.

Year 4 – Year 6	27	22	25
Year 7 – Year 10			
Year 11 – Year 12			

Note:

The [class size](#) targets for composite classes are informed by the relevant year level target. Where composite classes exist across cohorts (e.g. year 3/4) the class size targets would be the lower cohort target.

Curriculum implementation

The P–12 curriculum, assessment and reporting framework specifies the curriculum, assessment and reporting requirements for all Queensland state schools' principals and staff delivering the curriculum from Prep to Year 12. Further information on school implementation of the framework is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/p-12>.

Extra-curricular activities

Queensland state schools provide a wide range of subjects and extra curricula activities such as sport, art, music and school camps. Further information can be found here <https://www.qld.gov.au/education/schools/information/programs>.

How information and communication technologies are used to assist learning

Information and communication technologies (ICT) are an important part of contemporary schooling. The Australian Curriculum includes ICTs as a general capability across all learning areas, as well as Digital Technologies as a specific learning area. Further information on models used by schools to assist learning is available at <https://education.qld.gov.au/parents-and-carers/school-information/student-ict-device-programs/one-to-one-models>.

Social climate

Overview

Each Queensland state school develops and enacts policies to support an integrated approach to behaviour, learning and teaching.

Our Student Code of Conduct is our school's behaviour policy, with information about school rules, consequences and processes for addressing bullying and the use of technology. A copy of this is available on our school website.

Further information is also available at <https://www.qld.gov.au/education/schools/health>.

Parent and community engagement

Our approach to engaging with parents and the community is aligned to the departments Parent and community engagement framework. The framework helps students, schools, parents and the community to work together to maximise student learning and wellbeing. Research shows parent and community engagement that is effectively focused on student learning can deliver powerful outcomes. Further information is available at <https://education.qld.gov.au/parents-and-carers/community-engagement>

Respectful relationships education programs

Our school uses the Australian Curriculum – Health, Berry Street Educational Model and mindfulness processes to influence behavioural change to build a culture based on equality and respect in our students, staff, parents and wider community. Students are provided opportunities to explore social and emotional learning in self-awareness,

self-management, social awareness, relationships, ethics, values, social norms, stereotypes, human rights, risk and responsible decision-making. A growing body of evidence shows that social and emotional learning of this nature leads to:

- improved social and emotional skills, self-concept, bonding to school and classroom behaviour
- less disruptive classroom behaviour, aggression, bullying and delinquent acts
- reduced emotional distress such as depression, stress or social withdrawal.

Further information is available from the office if you would like to discuss the school's program.

School disciplinary absences

Table 6: Count of incidents for students recommended for school disciplinary absences at this school

Type of school disciplinary absence	2017	2018	2019

Long suspensions – 11 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of enrolment	0	0	0

Note:

School disciplinary absences (SDAs) are absences enforced by a school for student conduct that is prejudicial to the good order and management of the school.

Environmental footprint

Reducing this school's environmental footprint

Environmental education has been a feature of Queensland schools for more than 30 years. In many schools it has been creatively and proactively incorporated into the curriculum in each phase of learning, and is also reflected in the school's facilities and in the actions of its principals, teachers and students.

Table 7: Environmental footprint indicators for this school

Utility category	2016–2017	2017–2018	2018–2019
Electricity (kWh)	114,922	109,250	131,014
Water (kL)	2,333	864	1,844

Note:

Consumption data is compiled from sources including ERM, Ergon, CS Energy reports and utilities data entered into OneSchool* by schools. The data provides an indication of the consumption trend in each of the utility categories which impact on this school's environmental footprint.

*OneSchool is the department's comprehensive software suite that schools use to run safe, secure, sustainable and consistent reporting and administrative processes.

Qualification of all teachers

The Queensland College of Teachers (QCT) is responsible for ensuring that teaching in Queensland schools is performed by an appropriately qualified person, that has successfully completed either -

- (a) a four-year initial teacher education program including teacher education studies of at least one year (e.g. a Bachelor of Education, or a double Bachelor degree in Science and Teaching) or
- (b) a one-year graduate initial teacher education program following a degree (e.g. a one-year Graduate Diploma of Education (Secondary) after a three-year Bachelor degree) or
- (c) another course of teacher education that the QCT is reasonably satisfied is the equivalent of (a) or (b). These are considered on a case-by-case basis.

For more information, please refer to the following links

Professional development

Teacher participation in professional development

Queensland state schools undertake 5 staff professional development days (25 hours) throughout the year:

- 2 days at the end of the summer holidays (fixed)
- 2 days during the Easter holidays (flexible)

- 1 day in the third last week of Term 3 (fixed) on the student free day.
